Subject:- Acquisition of lands for Field Works Training Grounds of Q.V.O.Madras Sappers and Miners. Plot 10.

SIR,

I am directed to refer to the correspondence ending with your letter No.Pol.2182/C.B.125-37, dated the 27th June 1941.

The Political Department write that as the land in question is required for use only as a Field Works Training Ground for the Q.V.O.Madras Sappers and Miners and that as in British India lands outside Cantonments, which are used for such purposes, are not generally included in the Cantonments, it has been decided that the present area should not be included in the Civil and Military Station, Bangalore. The provisions of Article 8 of the Treaty of 1913 are not therefore attracted by the present case and in consequence -

(i) the Government of Mysore need not be asked to cede jurisdiction over the land in question; and

(ii) the cost of its acquisition will be borne by Military Estimates.

I have the honour to be,
Sir,
Your most obedient servant,

15. With the approval of His Highness, necessary action was taken to acquire and hand over to the British Military authorities a plot of ground on the north-east corner of the Civil and Military Station northern boundary required for use as a Field Works Training Ground for the Q.V.O. Madras Sappers and Miners, pending the disposal of the question of cost and jurisdiction. A communication has since been received from the Residency intimating that the Government of India have conceded that the Government of Mysore need not cede jurisdiction over the land and that the cost of its acquisition will be borne by the Military authorities. The papers are submitted for His Highness's gracious perusal.

16. The Government of India had invoked the aid of Article 8 of the Mysore Treaty in support of their view that the Government of Mysore were liable to acquire the land in question at their own cost and hand it over with full jurisdiction. It is worthy of note that the Government of India now recognise that the provisions of this Article do not apply to the present case.

17. The cost of the acquisition is expected to be about Rs.57,000/-, and necessary action will be taken to recover the amount from the Military Department of the Government of India.

Sir,

Subject:- Cost of acquisition of lands for field-works training grounds for Q.V.O. Sappers and Miners - Plot 10

With reference to your letter No. 1413/C.B. 125-37-399 dated 20-10-1941 asking for details about the actual cost of acquisition in connection with the above, I have the honour to state that the total amount of compensation now awarded amount to Rs.53,169-5-11 including the compensation for loss of trees and loss of assessment that will be sustained by the Jodidar every year.

2. To this sum, will have to be added any extra amounts that may be awarded by the Court towards enhanced compensation, if any, in some of the above acquisition cases which have already been referred to the Court under Sec. 18 of the Land Acquisition Act.

3. Secondly, consequent on the acquisition of the lands in question, the Khayamgutta payable to Government annually for Byrapahalli village will be reduced by Rs.26-13-1 (proportionate gutta on the lands acquired in the village). In the case of the Government village Manavarte Kaval, Government will have to forego a sum of Rs.14/- per year in the shape of assessment on the lands acquired for the purpose in that village. To compensate the Government to this extent, a sum of Rs.37-13-1 in the aggregate as mentioned above, either the

assessment and jodi on these acquired lands will have to be recovered from the Government of India year after year till akarband is rectified or a lump sum equal to 25 years assessment of these lands will have to be added on to the compensation amount. Or, the other alternative is to write off the jodi and the assessment due on these acquired lands every year as in the case of lands acquired for the other Government Departments.

A copy of the report of the Special Land Acquisition Officer, is enclosed for reference.

I have the honour to be,
Sir,

Subject:- Acquisition of lands for the field works training grounds for Q.V.O. Madras Sappers & Miners, Bangalore.

-- --

With reference to your memo No.A3-2763/41-42 dated 31-10-1941 re. the cost of acquisition of lands for the above purpose, I have the honour to state that a total sum of Rs.53,169-5-11 has been awarded as compensation for these lands. Rs.50,838-7-9 have been awarded for the land, trees etc., and Rs.2,330-14-2 to compensate the loss of assessment sustained by the Khayamguttadar of Byappanahalli village, Bangalore South Taluk.

Applications for reference to the Court under Sec. 18 have been received in 12 cases within the period of limitation. These wi cases will be referred to the Court shortly. The decision of the Court on the claim for enhancement of the compensation will have to be awaited.

Consequent on the acquisition of these lands, the Khayamgutta recovered for Bypanahalli village will have to be reduced by Rs.23-13-1 (which is the proportionate Khayamgutta on these lands) and Government will also lose Rs.14/- per year in the shape of assessment on lands acquired in the Government village of Bypanahalli Manavarta-Kaval. It is for orders whether the Khayamgutta and assessment may be recovered every year from the Military Department of the Government of India, or a lump-sum equal to 25 times the amount levied, as is being done when lands are acquired for Rail~~y~~/way and Irrigation works. If it is decided to levy a/lump sum, it will have to be added on to the compensation awarded to the various claimants.

At the instance of the Officer-Commanding, Q.V.O. Madras Sappers and Miners, the entire extent of S.No. 6/3 (viz., 2 acres 34 guntas excluding Kharab) was acquired instead of the notified extent of 2 acres and 4 guntas only.
